

Product Name: Herbal Cannabis Tea

- Description: A soothing blend of dried cannabis leaves and other herbs, designed for brewing as tea.
- Primary Use: Relaxation, stress relief, and mild pain relief, particularly suitable for those who prefer not to smoke or vape.
- Unique Features: Offers a gentle, calming experience, available in various herbal blends, and is a discreet way to consume cannabis.

Product Name: Cannabis-Infused Cooking Oil

- Description: High-quality cooking oil, such as olive or coconut, infused with cannabis.
- Primary Use: Ideal for home cooking and baking, allowing users to create their own cannabis-infused dishes.
- Unique Features: Versatile in use, provides a controlled way to consume cannabis through food, and maintains the nutritional benefits of the base oil.

Product Name: CBD-Infused Sports Recovery Gel

- Description: A topical gel infused with CBD, designed for athletes and those with active lifestyles.
- Primary Use: Aids in muscle recovery, reduces inflammation, and helps alleviate joint and muscle pain post-exercise.
- Unique Features: Quick absorption, non-greasy formula, often combined with cooling agents like menthol for added relief.

Product Name: Cannabis-Infused Lip Balm

- Description: A moisturizing lip balm infused with cannabis extracts, often combined with other natural ingredients like shea butter or coconut oil.
- Primary Use: Provides hydration and relief for chapped lips, with the added benefits of cannabis extracts.
- Unique Features: Subtle effects, portable, available in various flavors, and can be used discreetly throughout the day.

Product Name: Cannabis Aromatherapy Candles

- Description: Scented candles made with cannabis essential oils, designed to provide a relaxing ambiance.
- Primary Use: Enhancing mood, reducing stress and anxiety, and creating a calming atmosphere in any space.
- Unique Features: Offers therapeutic benefits of aromatherapy, available in various scents, and a unique way to enjoy the essence of cannabis without ingestion or inhalation.
